INVITATION **TO ATTEND THE MILENG COE INDUSTRY DAY 2019**

13 May 2019

1. I am pleased to invite you to participate at the annual MILENG COE Industry Day, now in its tenth year. As an vital part of the NATO MILENG calander, the event offers a unique platform where military subject matter experts from NATO countries, HQs and partner nations have the opportunity to meet companies and enterprises, to share experience and knowledge in order to improve capabilities, products and services within the MILENG fields of expertise. This is an exceptional event that attract the special target audience for your products and services in fields related to Mobility, Counter-mobility, Survivability, Training and General Engineering Support.

2. Industry Day 2019 will take place in Ingolstadt, within the barracks of the German Army Engineer Training Centre, on 4th Dec 2019 between 0945 – 1500 hours and it will be conducted in conjunction with the MILENG COE`s Information Exchange Seminar (IES). The topic for this year`s IES (3rd – 5th Dec 2019) is "**Back to Basics – Evaluating Military Engineering Interoperability Training Requirements**". Representatives from the following entities regularly attend the IES: NATO Nations, NATO Command Structure, NATO Force Structure, NATO Partners, NATO Agencies, NGOs, IOs, GOs, CIMIC and Academia. In the IES agenda, the 4th Dec 2019 is dedicated for the IES delegates to attend the Industry Day which allow you, therefore, to present your products, trends and state of the art technologies to the selected multinational community, as well as to the German Army Engineer Training Centre and the 8th German Army Mountain Engineer Battalion.

3. The MILENG COE intends also to host a symposium in the morning of 4th Dec 2019, between 0800 – 0930, related to the IES topic mentioned above. Companies are invited to offer a brief to the audience promoting therefore their initiatives, assets and contribution to the training sphere. More information and details on the Industry Day 2019 is included in the "Admin Instructions" attached - available on the MILENG COE website <http://www.milengcoe.org/events/Pages/Industry-Day.aspx> where the registration form is active by following the blue button – Vendor Registration.

4. The registration period starts as at 13th May 2019 and closes as at 30th Nov 2019. If you have any further questions please contact my POC; Frank BÄR, Captain (DEU Army) logch@milengcoe.org tel: +49 841 88660 5230 – Work.
