# EX SAIF SAREEA 3 - UK MOD BDE LEVEL EXERCISE in Oman 2018

Deployed advisors providing guidance to the in theatre Joint Commander on commercial solutions to problems and delivering value for money to the tax payer.

# Agility Defence and Government Services Mantra

**Proactive engagement** – before, and during, a deployment.

**Shared understanding** – engendered through cooperative working, liaison, doctrine, education and a common language.

**Collaborative working** – based on mutual trust and understanding to help offset cultural and organisational differences, a willingness to cooperate (born out of institutional familiarity), personal contact and information sharing.

# Questions ?

**Otherwise we would be glad to  
welcome you at our booth**
